

The **Chicagoland Emergency Vehicle Show** is go! Celebrating our 13th year, we're the midwest's largest public emergency vehicle show, playing host to 200 emergency vehicles throughout the weekend belonging to collectors, museums, and government agencies in the name of public education. This year our event welcomes the addition of the Kane County Safe Kids Safety Day as well as our second year of sharing our space at Mooseheart with the North Aurora Days' "Touch-a-Truck" event. A big thank you to the North Aurora Police and Kane County Office of Emergency Management who provide traffic control for the Friday night parade. The North Aurora Fire Dept. goes above and beyond to assist with show day demos as do the Kane County Sheriff's Office and many other agencies and volunteers.
